An Editor's Doubt,

Detroit Free Press. Whitelaw Reid found his work of repres senting the United States at Paris "very trying," and now he would have the world believe that he is returning to the restful, luxurious, dreamy and nerve-scothing ocforceful language of Governor Flower.

Deals With Nature.

In extracting fruit flavors Dr. Price deals directly with nature, and leaves the use of artificial Extracts to those who have not the chemical knowledge to extract from the true fruit, and who care not what they sell so long as they can make money.

Dr. Price's **Delicious Flavoring** Extracts

are conceded to have no peers in the market, and thus the demand is constantly increasing. The manufacturer of cheap Extracts gets all the profit there is in the dishonesty, and the grocer has to shoulder the blame.

Will look whiter, will be cleaner and will be done with less labor if

SANTA CLAUS SOAP

is used. The clothes will smell sweeter and will last longer. SANTA CLAUS SOAP is pure, it cleans but does not injure the fabric. It does not roughen or chap the hands.

Millions use it. Do You? N.K. FAIRBANK &CO., Miss. CHICAGO.
